Regulation Section #	Observed Non-Compliance	Compliance Requirements	Date to be Completed By (yyyy-mm-dd)	Requirements Met		Follow-up Comments
				Yes	No	
Ministry Directive - Playground Safety Policy	A plan of action following an annual inspection is not on file -the climber(JK playground) has identified safety concerns. The supervisor confirms that children do not use this equipment due to safety concern identified.	Today, the plan of action was developed to confirm that children will not use the climber until the ministry receives confirmation from a certified , playground inspector that the climber is safe for children's use.	2014-04-29			
s.5(3)	Pamolive soap and heavy weight cleaner was accessible to children in kindergarten room.	Today, the cleaning products were stored to be inaccessible to children. The operator will confirm that secure storage of hazardous products is provided and this storage area reviewed with childcare staff to ensure these products are inaccessible to children.	2014-05-02			
s.5(3)	1 electrical outlet in JK room was not covered with a safety cover.	Today the outlet was covered. The operator will confirm all electrical outlets are covered to be inaccessible to children at all times and child care staff will inspect the room to ensure outlets are covered.	2014-05-02

Prior Term & Condition	Operator in Compliance		Ongoing Term and Condition		Observed Non-compliance	Compliance Requirements	Date to be Completed By (yyyy-mm-dd)	Requirements met	
	Yes	No	Yes	No				Yes	No
The kindergarten and/or school age program are licensed to operate before-and after-school and full day on PA days and school holidays.	X		X						
The operator shall ensure that room 110 is not used until the Ministry has received all required municipal approvals. In the interim the operator shall continue to use the approve alternate space Room 121.	X			X					
The operator will ensure the children are supervise by staff when using washrooms.	X		X						
No child shall use St. Brigid's school fixed playground equipment until the ministry receives written confirmation from a certified, third party playground inspector confirming it is safe for children's use.	X		X						

Recommendations

It is recommended that the individual plan and emergency procedures for the children with anaphylaxis be reviewed with parents(at least annually) to verify there are no changes to the plan and this review be dated and signed by parent.
