We will be hosting 6 summer students with us this year and we are excited to have them support our team and work alongside the staff to make this an enriching and memorable summer for the children and families.

**Summer Ready:** Happy Summer everyone!!! The hot weather has arrived we are asking parents to be mindful of the weather and the temperature as

it changes and provide the suitable clothing for their children. Please ensure we are providing hats for the children, extra clothes for water days. Please have these **items labeled** so we can ensure that the items go back to the right cubbies.

**SUMMER BREAK:** School's out, summer break is here for the Kindergarten & School-Age children. But we did not forget about our toddlers and preschool friends as we have created a busy summer program! We look forward to all our on-site activities that our staff has planned to ensure that the children will have a variety of interactive, fun and interesting activities to keep them entertained and engaged. Activities such as weekly water parties, tie-dye hats/shirts/socks, life size games day, outdoor picnic, Childspace Dollar Store, All about sports day and movie days.

**Communication:** Remember that the best way to communicate with staff and management is through the communication book which comes home daily with the toddlers and preschoolers. Please ensure that the book is returned each morning during drop off. You can also call or email to set up an appointment if you need to speak to a staff member or a management personnel.

**Health:** Please remember that the online screening should be completed every morning before drop off. If you do not have access to the online screening please let the office know. To ensure the safety of all staff, children and their family members, we ask that all sick children are kept home until they are feeling better. If a child or a member of their family is experiencing any of the COVID-19 symptoms they will not be allowed in the daycare as per the guidelines given by Toronto Public Health.
