

Childspace Day Care

Childspace Centre 2 Summer 2026 Newsletter

Welcome & Thank You

We would like to extend a warm welcome to all new and returning families joining us this summer!

We are excited to share that our team will be joined by one summer student and four Early Childhood Education (ECE) students from George Brown College. They will be working alongside our educators, supporting the children through play, learning, and daily routines while gaining valuable hands-on experience.

We are delighted to have them as part of our community and look forward to the enthusiasm, creativity, and fresh perspectives they will bring to help make this a fun, enriching, and memorable summer for our children and families.

Summer Ready!

With the warmer weather here, please send your child with weather-appropriate clothing each day. Be sure they have a **sun hat**, a **change of clothes**, and **water shoes** for water play days. We also ask that all clothing and **belongings are clearly labelled** to help ensure items make their way back to the correct cubby. Thank you for helping us to keep everyone comfortable and ready for summer fun!

Summer Break Fun!

Summer is here, and we have an exciting program planned for children of all ages! From weekly water play and outdoor picnics to tie-dye, life-size games, sports days, outdoor yoga, visits from the librarian, and movie days, there will be plenty of fun, hands-on experiences to keep everyone engaged all summer long.

Kindergarten and School-Age children can also look forward to exciting off-site trips throughout the season. *If you are interested in volunteering on a field trip, please note that a current Police Reference Check is required. Please speak with the office for more information.*

COMMUNICATION: We value open communication with our families. If you would like to speak with a member of our teaching team or management, please contact us by phone or email to arrange a convenient time. Scheduling a meeting helps ensure we can give you our full attention and provide the support you need.

HEALTH: To help keep everyone healthy, please keep your child at home if they are feeling unwell. Children who are lethargic, showing signs of discomfort, or unable to fully participate in the daily program recover best while resting at home. Thank you for helping us maintain a healthy environment for all

CHILDSPACE 2 FUN FAIR
WILL BE FRIDAY AUGUST 28TH
3 - 6 PM

Reminders

- Please check your child's summer program regularly for upcoming activities, trip details, and departure/return times. Monthly calendars are posted outside each room.
- Ensure all permission forms are signed before scheduled trips.
- Send sunscreen with your child and make sure it is clearly labelled.
- Please notify the centre if your child will be absent, arriving late, or if there are any changes to their pickup arrangements.
- All kindergarten and school age children need to be **dropped off at their room with an adult.**

Reminder that Childspace Centre 2 is a nut-free zone!
